# National PTA Reflections

## 2019 - 2020

It's National PTA Reflections time! This years theme.... **LOOK WITHIN.**

All children deserve opportunities to explore and be involved in the arts. The arts play a critical role in students' success in school and beyond, enhancing their reading and language skills, mathematics skills, thinking skills, social skills, motivation to learn and positive school environment. The National PTA Reflections program is PTA's cornerstone arts program. It offers students the opportunity to earn local, state and even national recognition, and an opportunity for a scholarship, for original artwork they create in response to a specific theme.

Your child can choose from one of six categories to express their artistic side, dance choreography, film production, literature, music composition, photography, or visual arts.

The deadline to turn in your projects is ***Monday, October 28, 2019!*** Once your child's project is complete, turn it into the front office with the completed entry form.

*Thank you for supporting your Supercat in exploring their creative side!*
